

Fort Morgan RV Parks for Trial

Many of you have been asking about RV parks, so I decided to send this out to everyone. If it does not pertain to you, I apologize.

Lori my volunteer coordinator lives by Ft Morgan and these are the campgrounds she recommends:

[Jackson Lake State park](#) Has electric hookup, may not have water/showers/flush toilets as I am not sure when they will shut water off. Lakeside campground is where to make reservations. They are 25 minutes from the high school

[Brush Camp Grounds](#) Cute little park in Brush, 15 minutes from the high school easy in and out, clean

[Emerald camp ground](#) not great reviews, but if you are self contained it is doable.

I will also post this information on my website.

Thank you everybody!

Deanna Bunn
