TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Tuesday November 11, 2025 at 10 AM MDT Entries will be awarded by random draw of all entries received between 10 AM MDT November 11, 2025 and 10 AM MDT November 13, 2025.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 48 hours to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from the Deanna Bunn at colodee@gmail.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2025-2026 membership year (8/1/25 – 07/31/26).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
 - Qualified entry for NW2 – Dog has earned a NW1 title and has not yet earned the NW2 title level.
 - Qualified entry for NW1 – Dog has not yet earned a NW1 title.
 - Qualified entry for Vehicles Level 1 – Dog has not yet earned the level 1 title for vehicles.
 - Qualified entry for Interior Level 1 – Dog has not yet earned Level 1 title for Interiors.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacswnet.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the Deanna Bunn.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the handler's responsibility to notify [Deanna Bunn](#) that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
- If space remains after all qualified entries are accommodated on November 15, 2025 we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after November 20, 2025.
- The trial host of an event has the right to refuse entry of any handler or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

LOCATION DETAILS

ADA Site Specific Conditions

This event location is a high school. The pathways to the search areas are paved and include ramp options. Some search areas may be upstairs and require navigation of a couple flights of stairs – elevators may be an option, depending on location of search areas. Some search areas may not be level ground. There may be long walks to the search areas.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

Parking

The dirt parking lot is unshaded.

RV Parking

There is space for RVs to park in the handler parking area during the event day. To reserve a space, you will need to contact Deanna Bunn at colodee@gmail.com after you receive confirmation that you have a space in the event. No overnight RV parking is available.

Running Vehicles or Generators in the parking lot

There is ample parking and we will have a **separate** parking area for those wishing to run their vehicles or generators during the day. Please let the parking lot attendant know when you pull in.

Reactive Dog Parking

There will be reactive dog parking at this event for those who wish to park in this area, however the parking is tight and there will not be separate potty areas or warm up boxes. Please notify Deanna Bunn at colodee@gmail.com if you have a reactive dog.

Crating Indoors

There will be indoor crating available, but we do not have a separate area to crate reactive dogs.

Unentered Dogs

Unentered dogs must remain in the handler's vehicle during the event day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the event grounds.

Facility/Site Prohibitive Restrictions (e.g., smoking, firearms, alcohol, drugs, video)

This is a no smoking facility. Photos and videos should be limited to searches only.

Hotels & RV Parks

There is a partial list of hotels and RV Parks available, [click here](#) to view.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.
- Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must email the Deanna at colodee@gmail.com so plans can be made for the dog.

Liability

By registering for the event, the handler hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The handler expressly agrees that the NACSW, Paws 4 Thought Dog Training, LLC and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The handler also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

Sportsmanship

All handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

NACSW Results

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators

Spectators are welcome, however spectating opportunities may be limited. Spectating will be allowed at searches, space permitting and at the Certifying Official's discretion.

Spectators may not photograph or video searches.

Spectators are reminded that the hide placements must not be discussed nor should they speak with any handlers about what they saw until after the event is complete.

No dogs will be allowed in the spectator area.

No unentered dogs with spectators are allowed at the event.

An adult accompanying a minor must be present during the searches.

Everyone at the site must sign the waiver provided by the host and comply with all event requirements.

Handlers are not allowed to watch the searches at any time.

Videotaping and Photography

Handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the event day.

A video service will be present during the event to offer videos for sale to the handlers. Lisa Keller and Diane Ross Professional Video Service will be taking video of the searches. Details will be available at check in.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All handlers, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
